William Warfield is a lucky man— he is heir to a multi-billion dollar shipping empire and with his heart-stopping good looks and Southern charm he has all the perks, freedom and erotic pleasures the sultry city of New Orleans has to offer. There are only three minor flaws in his better than perfect life.

His father is still in love with a woman he hasn't seen in thirty years, his brother can barely balance his faltering sanity while operating his elite private sex club, and there's Allie Darling...

Allie is the daughter of his father's long ago love interest who William ends up "baby-sitting" for the long hot summer. She's a 'just out of college', wide-eyed and not-so-worldly California girl who William has absolutely NO INTEREST IN... Until he does.

Sparks fly and William introduces Allie to the hedonistic pleasures of his exotic world. Will Allie succumb to her carnal desires and adapt to his lifestyle or go running back to her simple life?

William has never lost in business or love, Allie has never even played, but after a long hot New Orleans summer the erotic pleasures that brought them together might just be what tears them apart.
