**A unique collection of funerary texts from a wide variety of sources, dating from the 15th to the 4th century BC**

Consisting of spells, prayers and incantations, each section contains the words of power to overcome obstacles in the afterlife. Offering valuable insights into ancient Egypt, *The Book of the Dead* has also inspired fascination with the occult and the afterlife in recent years.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
