## **The Story Of My Life** Clarence Darrow

In *The Story of My Life* recounts, and reflects on, his more than fifty years as a corporate, labor, and criminal lawyer, including the most celebrated and notorious cases of his day: establishing the legal right of a union to strike in the Woodworkers' Conspiracy Case; exposing, on behalf of the United Mine Workers, the shocking conditions in the mines and the widespread use of child labor; defending Leopold and Loeb in the Chicago "thrill" murder case; defending a teacher's right to present the Darwinian theory of evolution in the famous Scopes trial; fighting racial hatred in the Sweet anti-Negro and the Scottsboro cases; and much more. Written in his disarming, conversational style, and full of refreshingly relevant views on capital punishment, civil liberties, and the judicial system, Darrow's autobiography is a fitting final summation of a remarkable life.
