Mother of all Living: Opening the Doors And Regaining Dominion Andrew Roy

This book releases the true power of the woman in the church and opens the doors that have locked out the regaining of mankind's dominion. The distinct power of a woman who has a Godly understanding of her maternal authority. A maternal authority that does not threaten, but will be acknowledged and enhanced, by the paternal authority of the man. This book will remind the woman of her God given authority, as the "Mother of all Living"; and it will reestablish her position next to the man. It will answer the question of women Pastors and women Elders in the church. It will help the man understand the beauty and the value of this gift that God has given him; a woman of power who will help to cultivate, and ultimately validate their positions at one another's side; and that dominion cannot be regained without her. The author of this book is a Professor at the Greater Harvest Bible College and Seminary, in California; a branch of the International College of Bible Theology. He has been a Pastor/Elder and a Teacher of the Word of God for the past twenty years. His secular education includes a Masters Degree in Psychology, with an emphasis on Marriage and Family Therapy (MFT). His primary theological emphasis is in the area of Biblical Doctrine and Biblical Theology. He is a recognized authority on Church Organization and has lectured extensively on the releasing of the true power of the woman in the Church. He is a true believer that the ultimate power and authority in the home and in the Church, comes from the interdependent relationship of the man and the woman; and when separate and apart, the power and authority (including the power to co-exist) of that relationship diminishes.
