Branson Wellington? The name, my name, is usually followed by f*cking prick or self-serving bastard, and I can't say I haven't earned those titles. It's true. I'm not the good guy. I'm not the boy next door. I'm definitely not your Prince f*cking Charming. Not even close.

And I never wanted to be. Until her. The day I pulled her from the wreckage was the day that my life changed.

Who would have thought that one little lie had the power to throw two lives so off course?

Love has never been in the cards for me, but now that she's here, I have no idea how I'm ever going to let her go. Even if I don't deserve her.

Because like I said, I'm a self-serving bastard and some things never change.

**While this is the second book in the series, it can be read as a standalone novel.

Just tiny students that have reading's heart or real their leisure activity. They just do what the instructor wants, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated.
