On The Run: Book 1 The Real Thing Taylor Hart

The 1st Book in a fast-paced romantic, suspense Trilogy!

Alexa Fulbright doesn't expect the man she's been trying to forget for the past 7 years to show up on assignment from the FBI...and she really doesn't expect him to kiss her.

Sam Dubois doesn't want to be on this assignment, even though he requested it. He doesn't want to see Alexa and he definitely doesn't want to put away the thug she calls her boyfriend...but most things in life aren't fair when it comes to her.

After Sam shows Alexa proof that her boyfriend is a drug dealer with connections to the Columbian cartel, she refuses to believe it. Until a gun is pointed at her head and 'said boyfriend' puts a bullet in Sam's shoulder.

Now Sam has to get her out of dodge and Alexa has to make a choice—face the past or live a lie that could destroy her and everyone she's ever loved.
