Washington Irving

A History of New York (Penguin Classics) Washington Irving

In 1809, New Yorkers were buzzing about a series of classified ads concerning the whereabouts of Dutch historian Diedrich Knickerbocker. They were unaware that Washington Irving had invented the man entirely and placed the ads himself. Knickerbocker's purported manuscript, *A History of New York*, was Irving's own. Told from Knickerbocker's point of view, *A History of New York* is a chronicle of New York's fifty years under Dutch rule in the 1600s that plays fast and loose with the facts, to uproarious effect. *A History of New York* propelled Irving to the heights of literary stardom.
