A Workbook for New Testament Syntax: Companion to Basics of New Testament Syntax and Greek Grammar Beyond the Basics Daniel B. Wallace, Grant Edwards

Daniel B. Wallace's groundbreaking books *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament* and *Basics of New Testament Syntax* have become the standard textbooks among colleges and seminaries for teaching New Testament Greek syntax. This workbook, designed to accompany both books, presents a dynamic approach to learning Greek syntax. Instead of simply learning syntax in single-verse snippets, students are exposed to all of the major syntactical categories in exegetically and theologically significant passages.
