**Ron Comer's** brief text is ideal for introducing students to the realities of living with, treating, and researching psychological disorders. From his experiences as a practicing therapist, **Comer** draws a multitude of examples of real people and the disorders with which they struggle. From his extensive classroom experience, he presents the material in a way that connects to students' lives. And with this new edition, *Fundamentals of Abnormal Psychology* becomes the first abnormal psychology text that fully embraces diagnostic and definition changes introduced by the DSM-5.
