Syntax: A Generative Introduction 3rd Edition and The Syntax Workbook Set Andrew Carnie

The third edition of Andrew Carnie's *Syntax: A Generative Introduction* and *The Syntax Workbook* are now available as a set. His bestselling textbook on syntax has guided thousands of students through the discipline of theoretical syntax; retaining its popularity due to its combination of straightforward language, comprehensive coverage, and numerous exercises. In this third edition, topics have been updated, new exercises added, and the online resources have been expanded.

The Syntax Workbook was written as a response to the students and instructors who, over the years, have requested more problem sets that give greater experience in analyzing syntactic structure. Aligned chapter-by-chapter with the textbook, this workbook provides over 120 new exercises on all of the major topics in generative syntax.
