**The Five Love Languages: Men's Edition: How to Express Heartfelt Commitment to Your Mate** Gary Chapman

Married people experience love most strongly through five love languages - quality time, words of encouragement, gifts, acts of service, and physical touch. With thoughtfulness and a gee-whiz tone that works well in all his audios, Gary Chapman aims his insights at men who want more from marriage, as well as those who have more to give. He's a humble teacher, describing the five languages with satisfying examples from his counseling practice and framing his ideas as suggestions. Without making light of the work a marriage requires, he'll convince most men that, if they love their wives, they can easily express it in ways that can make a marriage truly special for everybody.
