## **A-Z of Qualitative Research in Nursing and Healthcare** Immy Holloway

The A-Z of Qualitative Research in Healthcare is a highly accessible text that provides healthcare researchers with quick access to the descriptions and explanations of the concepts, methods and processes used in qualitative research. The book offers a clear introduction to the topic, including an overview of qualitative research, its development and the methodological issues involved.

The main section of text is a comprehensive list of the terms and concepts used in qualitative research with a full description and explanation for each entry. The section is ordered alphabetically for quick and easy access to the information and cross references are included within the descriptions to enable the reader to follow a particular line of enquiry.

The Second Edition has been fully revised and updated and is now clearly focused on qualitative research as it applies to the healthcare sector. In addition each entry now includes a list of key texts to encourage the reader to take their research further.
