This book addresses a crucial aspect of sustaining a response-to-intervention (RTI) framework in a school: selecting interventions with the greatest likelihood of success and implementing them with integrity. Leading RTI experts explain how to match interventions to students' proficiency levels, drawing on cutting-edge research about the stages of learning. Effective academic and behavioral interventions for all three tiers of RTI are described in step-by-step detail and illustrated with vivid case examples. In a large-size format with lay-flat binding for easy photocopying, the book features more than 40 reproducible planning tools and other helpful forms. Purchasers also get access to a Web page where they can download and print the reproducible materials.

This book is in The Guilford Practical Intervention in the Schools Series.

See also *RTI Applications, Volume 2: Assessment, Analysis, and Decision Making*, which provides tools for assessing the effectiveness of RTI practices.
