Gina thought nothing could be worse than the thought of her husband with another woman - until he made that fear come true!

Looking on through a crack in the bedroom door, Gina's about to watch her worst fears turned into a sexy, bareback reality...

Jealous wife Gina was always accusing her husband of infidelity - and he was getting sick of it.

Which was why, one Friday night, he decided to give her exactly what she was obsessing about. Through a crack in the bedroom door - too shocked to intervene - Gina finds herself watching her husband bring home a beautiful stranger, strip her in their living room, and take her roughly and bareback across the back of the couch.

But that performance was just the beginning - because the sight of her husband with another woman awakes an erotic yearning deep within, and as soon as the other woman is gone, Gina finds herself desperate to give herself to her sexy, dominant husband and reclaim him from the scent of another woman.
