By time you read this sentence, everything changed. The earth moved. Your body made new cells. Clouds shifted. Birth and death occurred. Yet something remains the same. A constant force prevails. Securing our relationship with this force takes daily determination. In the process, we look less to quick fixes and more to spirituality to discover this force. Dialogue in 21st Century Science and Health reveals a system that guides the mind, soothes the soul, and feeds the body. It discusses divine science. Divine science can pierce the thrilling, mind-boggling, nauseating, complex, and changing world to reveal the constant force of truth and love.
