Winterkill: A Joe Pickett Novel (Joe Pickett Series, #3) C. J. Box

"It's an hour away from darkness, a bitter winter storm is raging, and Joe Pickett is deep in the forest edging Battle Mountain, shotgun in his left hand, his truck's steering wheel handcuffed to his right - and Lamar Gardiner's arrow-riddled corpse splayed against the tree in front of him." "Lamar's murder and the sudden onslaught of the snowstorm warn: Get off the mountain. But Joe knows this episode is far from over. Somewhere in the dense timber, a killer draws back his bowstring - with Joe as his prey." Joe's pursuit of the killer through the rugged mountains that surround the snow-packed town of Saddlestring takes a horrifying turn when April, his beloved foster daughter, is kidnapped. Now it's personal - and Joe will stop at nothing to get her back.
