Secrets: A Memoir of Vietnam and the Pentagon Papers

Daniel Ellsberg

Secrets: A Memoir of Vietnam and the Pentagon Papers Daniel Ellsberg

Covering the decade between his entry into the Pentagon and Nixon's resignation, *Secrets* is Ellsberg's meticulously detailed insider's account of the secrets and lies that shaped American foreign policy during the Vietnam era. Ellsberg provides a vivid eyewitness account of the two years he spent behind the lines in Vietnam as a State Department observer—an experience that convinced him of the hopelessness of Johnson's policies and profoundly altered his own political thinking. As Ellsberg recounts with drama and insight, the release of the Pentagon Papers, first *The New York Times* and *The Washington Post*, set in motion a train of events that ultimately toppled a president and helped to end an unjust war.
