Hollywood has come to town -- and Faith Fairchild has to feed it! Hired to cater meals for the movie crew that is filming a modernday version of *The Scarlet Letter* in the tiny New England village of Aleford, Faith is eager to treat the talented tantrum-throwers to the best of her culinary delights. But an accusation that her famous Black Bean Soup is poison has left a bad taste in Faith's mouth. Her exploration into the source of the nasty slander leads the amateur investigator behind the scenes to a shocking off-camera murder. And suddenly more than Faith's reputation is at stake -- her life itself could end up on the cutting room floor.
