The *Field Experience Guide*, a supplement to *Elementary and Middle School Mathematics, 8th Edition*, is for observation, practicum, and student teaching experiences at the elementary and middle school levels. The guidebook contains three parts: Part I provides tasks for preservice teachers to do in the field; Part II provides three types of activities: Expanded Lessons, Mathematics Activities, and Balanced Assessment Tasks. Part III of this guide contains a full set of reproducible Blackline Masters referenced in the 8th edition of *Elementary and Middle School Mathematics* as well as additional Blackline Masters for use with the Expanded Lessons in Part II. A convenient *Field Experience Guide Connections* section at the end of each chapter in the 8th Edition will help you better integrate the information from the text with the *Field Experience Guide* to support with your work in schools.
