The Power of Acknowledgment Judith W. Umlas

The Age of Enlightenment changed the way mankind thought about life, culture and human relationships. In her evocative new book, *The Power of Acknowledgment*, Judith W. Umlas unleashes the concept of an Age of Acknowledgment we can all help bring about. In a time of celebrity worship and self-absorption, Judith's well-reasoned and heart-felt appeal, is so counterculture as to be revolutionary. Imagine, as does the author, people acknowledging each other's humanity, accomplishments, talents and wisdom on a continuous basis. It might just catch on. And wouldn't that be something!
