Recapturing the Wesleys' Vision: An Introduction to the Faith of John and Charles Wesley Paul Wesley Chilcote

Scholar and teacher Paul Wesley Chilcote provides a full and clear introduction to the dynamic faith of John and Charles Wesley. The vital theology of John is skillfully gleaned from his voluminous writings. The corresponding faith of Charles is culled from his enduring hymns. For students and general readers this book illuminates the vital balance the Wesleys found in Christian teaching that overcomes the often mutually exclusive options presented in other theological traditions. Chilcote shows that such a synthetic faith is not boring or irrelevant but transforming and life-giving, bringing together faith and works, Word and Spirit, the personal and the social, the head and the heart, mission and service.
