John Strelecky

Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition) John Strelecky

Après la publication de son livre à succès, *Les 5 grands rêves de vie*, décrivant à travers une histoire une philosophie de vie originale et, disons-le, révolutionnaire, John P. Strelecky a reçu de nombreux témoignages de lecteurs et de dirigeants d'entreprises. L'un d'eux lui vient de Jacques Guénette, un entrepreneur québécois qui se reconnut dans la vision de la vie et du travail présentée par Strelecky. En fait, Jacques Guénette, président de DLGL, prônait déjà une philosophie semblable à celle de Strelecky. La rencontre entre les deux hommes inspira à Strelecky une suite à son grand succès. On retrouve le personnage de Joe, Le grand ami du défunt Thomas Derale, mentor par excellence. Aidé de la veuve de Derale, Joe se rend à Montréal pour rencontrer un chef d'entreprise hors de l'ordinaire, Jacques Guénette. Homme prospère aux valeurs humaines particulièrement élevées, Jacques Guénette permettra à Joe d'approfondir la philosophie des cinq grands rêves de vie et de la raison d'être de chacun. Mais surtout, il l'aidera à reconnaître le leader en lui et à prendre le rôle qui lui revient. Une histoire inspirante, comme toutes celles écrites par Strelecky, qui amènera chez le lecteur une profonde réflexion sur le sens de la vie, du travail et des relations.

From reader reviews:

Lula Estes:

What do you ponder on book? It is just for students since they are still students or this for all people in the world, what the best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition). All type of book can you see on many resources. You can look for the internet resources or other social media.

Robert Hicks:

This Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition) is great guide for you because the content that is full of information for you who have always deal with world and still have to make decision every minute. This book reveal it information accurately using great plan word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition) in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen tiny right but this book already do that. So , it is good reading book. Hi Mr. and Mrs. stressful do you still doubt which?

Derek McCaleb:

Reading a book for being new life style in this 12 months; every people loves to go through a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you wish to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, and soon. The Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition) provide you with new experience in reading a book.

Christopher Morton:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Les 5 grands rêves de vie - la suite: Des Moments Passionnants (French Edition) can make

you feel more interested to read.
