Avalon: The Retreat L. Michael Rusin

Avalon: The Retreat is a compelling account of how one group of survivalists endures the worst event the world has ever known - a Nuclear World War.

* * * * *

Mike heard the sirens go off and knew it was time to leave; he hoped the others had already gotten the secret message and were on their way as well. He felt the adrenalin rush through his body as he hurried to meet them and set in motion what they had planned for the last six years. They all hoped this day would never come, but he was glad now that they were prepared to meet it head-on. As he rode through the streets on his motorcycle, he knew that he could never return to this place.

Chaos would reign quickly and, little known to him, what was left of civilization was already crumbling to its lowest form of humanity. Mike's people were warrior residents who had the foresight to prepare for the inevitable and make step-by-step preparations to protect themselves and each other.

Radio announcements warned everyone to stay inside their homes, but that wasn't going to happen for Mike and the others. They knew they would have to meet at the first rendezvous spot, gather what they needed and head on to the next. They had planned routes to each cache to protect themselves from the "unfriendlies" that were already out in full force.

As he rode quickly toward the first cache, the words from the radio played over and over in his head: It's my sad duty to inform you that a nuclear device was detonated in Atlanta, Georgia a few moments ago. Casualties are running high and details are sketchy. Stay tuned for further developments.

Mike knew that this was only the beginning of events in a "WORLD GONE MAD!"

* * * * *

Avalon: The Retreat incorporates real survivalist skills to help prepare you for that fateful day when catastrophe strikes. It could very well be sooner than you think! Are you prepared?

* * * * *

Further description:

Mike Reynolds has the foresight to prepare for the unthinkable and finds a group of like-minded people who join together and buy a mountain retreat called Avalon. Their preparations over the years save their lives and eventually the lives of others. They methodically put into order a plan that helps them not only survive, but thrive! With his friend, Dr. Daniel Crowley, the two discover an old 19th Century abandoned cattle ranch, purchase it, and set out to find just the right people who help them plan for what others refuse to see - that the end of the United States of America and the world, as we know it, is imminent.

Much of the U.S. and the world is eradicated by atomic bombs, radiation poisoning, starvation, plague, and all the atrocities that would prevail in a World Gone Mad! Gangs of thieves and thugs ban together to

enslave the weaker men and women and even resort to the most unthinkable atrocity known to the human race - cannibalism.

The folks at Avalon have food and all the amenities because they built a real sanctuary that offers protection to those who had the foresight to prepare ahead for a just-in-case disaster. Eventually they join up with a neighboring town once terrorized by the feudal Slavers and help free them from their subjugators.

If you have ever wondered how to put together a retreat, stock it, and prepare it for any eventuality of cataclysmic proportions, Avalon is a must read.

You'll see how they did it and realize that you can do it too!

From reader reviews:

Sandra Vincent:

Do you considered one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this kind of aren't like that. This Avalon: The Retreat book is readable simply by you who hate those perfect word style. You will find the data here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to supply to you. The writer involving Avalon: The Retreat content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the information but it just different as it. So , do you even now thinking Avalon: The Retreat is not loveable to be your top listing reading book?

Timothy Rhine:

Avalon: The Retreat can be one of your beginner books that are good idea. All of us recommend that straight away because this guide has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to set every word into satisfaction arrangement in writing Avalon: The Retreat but doesn't forget the main stage, giving the reader the hottest and also based confirm resource info that maybe you can be one among it. This great information can drawn you into fresh stage of crucial contemplating.

Mary Ransom:

This Avalon: The Retreat is brand new way for you who has interest to look for some information given it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or you who still having bit of digest in reading this Avalon: The Retreat can be the light food in your case because the information inside this book is easy to get by simply anyone. These books build itself in the form that is certainly reachable by anyone, that's why I mean in the e-book type. People who think that in publication form make them feel tired even dizzy this book is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the item! Just read this e-book sort for your better life and knowledge.

Mamie Donnelly:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Avalon: The Retreat can make you sense more interested to read.
