## **Shakespeare Stories** Leon Garfield

By skillfully weaving his own prose with Shakespeare's language, Leon Garfield has refashioned twelve of the Elizabethan playwright's most memorable dramas into stories, capturing all the richness of the characters, plot, mood, and setting. This format will delight both those who know the great dramatist's works and those who are new to them. Michael Foreman's dramatic color illustrations and varied black-and-white line drawings are the perfect complement to this celebration of Shakespeare's genius.
