## The Handbook of Language Contact

*The Handbook of Language Contact* offers systematic coverage of the major issues in this field – ranging from the value of contact explanations in linguistics, to the impact of immigration, to dialectology – combining new research from a team of globally renowned scholars, with case studies of numerous languages.

- An authoritative reference work exploring the major issues in the field of language contact: the study of how language changes when speakers of distinct speech varieties interact
- Brings together 40 specially-commissioned essays by an international team of scholars
- Examines language contact in societies which have significant immigration populations, and includes a fascinating cross-section of case studies drawing on languages across the world
- Accessibly structured into sections exploring the place of contact studies within linguistics as a whole; the value of contact studies for research into language change; and language contact in the context of work on language and society
- Explores a broad range of topics, making it an excellent resource for both faculty and students across a variety of fields within linguistics
