Everything Was Torn Apart, Until Darren Found HIM...

Life was nearing perfection, living with Paul. Romance, love, excitement, they had it all.

Until the day everything changed.

When Darren called to confront Paul and Jason about photos he found on his computer, he didn't realize that things would turn so black so quickly. Alone, scared, searching for peace, he heads to Verdant Hills to find his center.

What he finds instead is a gorgeous hunk with beautiful green eyes, willing to listen to his problems. They strike up a friendship, then something more. Excited, elated and having fun, Joe and Darren begin a relationship that helps them recover towards sanity like nothing else could.

Now, with their relationship threatened, will they hold together? Or will this be the end of their Happily Ever After?
