Marketing Management

Philip Kotler

Marketing Management Philip Kotler

This worldwide best-selling book highlights the most recent trends and developments in global marketing—with an emphasis on the importance of teamwork between marketing and all the other functions of the business. It introduces new perspectives in successful strategic market planning, and presents additional company examples of creative, market-focused, and customer-driven action. Coverage includes a focus on customer relationship management, partner relationship management, the Internet and its effects and uses, brand building and brand asset management, alternative go-to-market channels, and marketing around the globe. Chapter topics discuss building customer satisfaction, market-oriented strategic planning, analyzing consumer markets and buyer behavior, dealing with the competition, designing pricing strategies and programs, and managing the sales force. For marketing managers who want to increase their understanding of the major issues of strategic, tactical, and administrative marketing—along with the opportunities and needs of the marketplace in the years ahead.

From reader reviews:

Mark Sawyers:

This Marketing Management is great guide for you because the content and that is full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great arrange word or we can say no rambling sentences within it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Marketing Management in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. active do you still doubt in which?

Daniel England:

The book untitled Marketing Management contain a lot of information on this. The writer explains your girlfriend idea with easy approach. The language is very straightforward all the people, so do certainly not worry, you can easy to read that. The book was authored by famous author. The author will take you in the new era of literary works. It is possible to read this book because you can keep reading your smart phone, or gadget, so you can read the book throughout anywhere and anytime. If you want to buy the e-book, you can available their official web-site as well as order it. Have a nice learn.

Melvin Smith:

Many people spending their period by playing outside having friends, fun activity together with family or just watching TV the entire day. You can have new activity to pay your whole day by reading through a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Cell phone. Like Marketing Management which is keeping the e-book version. So , why not try out this book? Let's notice.

James Coles:

As we know that book is very important thing to add our expertise for everything. By a book we can know everything we want. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This e-book Marketing Management was filled about science. Spend your time to add your knowledge about your research competence. Some people has several feel when they reading any book. If you know how big advantage of a book, you can really feel enjoy to read a e-book. In the modern era like today, many ways to get book that you simply wanted.
