**Atlantis: The legend of a lost city** Christina Balit

**A magnificently illustrated retelling of the story of Atlantis--one of the world's most haunting and fascinating myths.**

Floating on the emerald sea is a small rocky island belonging to the mighty sea-god Poseidon. Few visit its shores-until Poseidon marries a beautiful woman named Cleito and transforms the island into a rich and fertile paradise, where all things flourish. A magnificent city arises. Poseidon names his perfect island Atlantis. Atlantis prospers and its people live in peace, but as the years pass, Poseidon's descendants start to act less like gods and more like men. When the people incur the wrath of their god, a terrible curse is carried out and the entire island sinks forever beneath the waves.

This retelling of the history of fabled Atlantis is based on Plato's Timaeus and Critias. It features a note by internationally known historian Geoffrey Ashe, who has written extensively in the area of mythology.
